"Be Informed, Be Active, Be a Part of the First Avenue Family. Be PTSA."

First Avenue PTSA invites all of you to join us in making a difference in the education and quality of life for our children.

First Avenue PTSA promotes the welfare of children and youth in home, school, and community. Our children are our priority, and we all want the best for them. We all know children learn more and have better lives when parents, school staff, students, and the community work together. FA PTSA brings these groups together to collaborate and fund programs and activities that benefit all of our students.

In addition, FA PTSA strives to bring home and school together to collaborate in the education of our children and youth. We also seek to foster partnerships between educators and parents to secure the highest advantages in physical, mental, and social education for our community.

Our PTSA provides

- Supplemental funding for programs and activities that will benefit all students.
- An opportunity to voice opinions and concerns on behalf of our children.
- Leadership development to promote individual development and strengthen skills.
- Timely information from local, state and federal levels and guidance on how we can advocate and influence legislators on behalf of children, families and schools.
- Collective strength with those who share concerns and seek solutions.

We invite you to become a PTSA member and support First Avenue PTSA. **Membership fee is only \$7.00 per member. Students are welcome to join!** Your dues also include membership in the state and national PTSA, the largest volunteer child advocacy organization in the U.S. PTSA (from national to unit level) depends on your membership dues and fundraising support to fund our collective efforts. Help us reach our goal of 100% participation! Show our strong support for PTSA!
